Case Discount Policy

Case Discount Policy

Case discounts are a benefit we offer **exclusively to owners**, and it's another way to save by shopping at our co-op.

1. Case discounts apply **only to whole case orders**. Special order case discounts will not be honored for case breaks or partial cases. Wellness special orders that are **not for whole cases will not receive a case discount**. If you are unsure of what constitutes a case size, we encourage you to inquire with a department manager prior to ordering.
2. The case discount **may not be combined with any other sale or discount**. Other store sales such as Co+op Deals, Owner Appreciation Days, Wellness Wednesday, Bulk Thursday and Fill-It Fresh Friday won't apply on a case discount.
3. Owner case discount prices are calculated as **discounted markup on the wholesale cost of a case**. If you are unsure what the price of a case may be, we encourage you to inquire with a department manager before ordering.
4. If you are a non-owner customer and wish to take advantage of case discounts, we encourage you to become an owner.

We reserve the right to adjust order limits and category restrictions based on order volume and product availability.

Special orders are final sales.
